

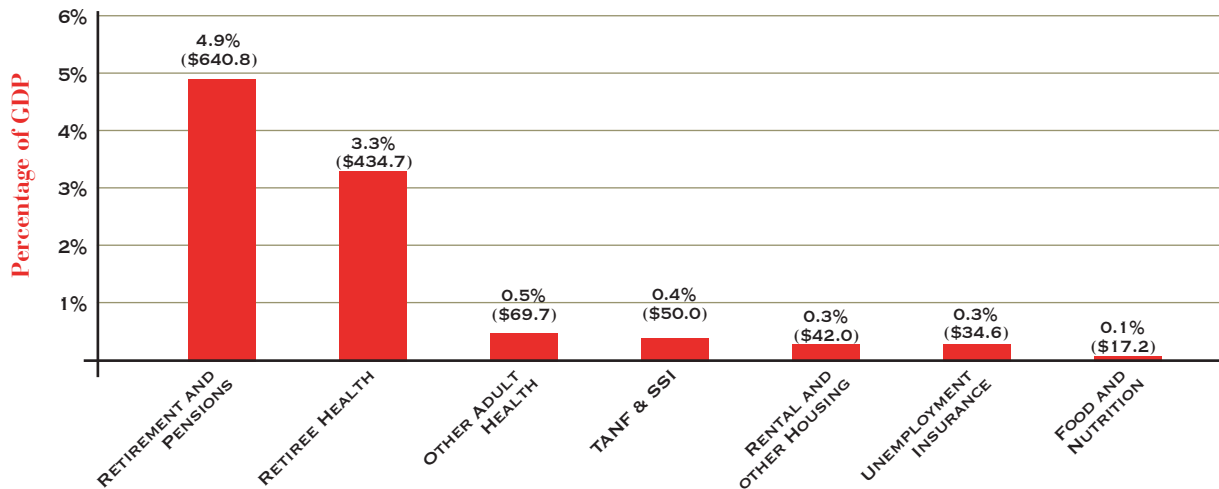

FIGURE 5

Income Maintenance Budget by Major Category, 2006
(\$1.3 trillion total or 9.9% of GDP)

Source: The Urban Institute, 2007. Estimates developed using the *Budget of the United States Government FY2005*, CBO's *The Budget and Economic Outlook: Fiscal Years 2008-17*, and *Health Care Financing Review 2005*.

Note: Income maintenance spending includes \$52 billion in tax expenditures. See also note to Figure 1.
